

# *EAST ORANGE SCHOOL DISTRICT*

## **HURRICANE HARVEY**

**RELIEF**

**EFFORTS**

Dear EOSD Family,

A District-Wide “**Day of Giving**” is scheduled for **Wednesday, September 13, 2017** to assist with the national Hurricane Harvey relief efforts. We are asking every student to contribute \$2.00 and every staff member contribute between \$5 - \$10 towards this worthy cause.

Parents may contribute whatever amount they wish. These funds will be collected from each school and/or department and donated to the appropriate agency agreed upon by the Board. Once all funds are collected from your particular site, please have the cash converted into a bank check or money order and delivered to the Superintendent’s Office by September 15, 2017.

The Superintendent’s Office will forward the name of the relief agency this week. Cash will not be accepted and receipts will be provided. Let’s band together and make a big difference for a worthy cause. It could have been us. Thank you.

Respectfully,

Dr. Kevin R. West, Superintendent
