QUOTE OF THE MONTH

SMART ISN'T SOME-
THING YOU ARE,
IT'S SOMETHING
YOU BECOME!

September is National Childhood Obesity Awareness Month

More than 23 million children and teenagers in the U.S. are obese or overweight, a statistic that health and medical experts consider an epidemic. Childhood obesity puts nearly one third of America's children at early risk for Type 2 diabetes, high blood pressure, heart disease and even stroke – conditions usually associated with adulthood. Since the 1970's , the rate of childhood obesity in our country has tripled, this dramatic rise threatens to have far-reaching, long-term effects on our children's health, livelihoods and futures. Our greatest responsibility is to ensure the well being of our children. Please visit LetsMove.gov to help our children eat healthy and stay active.
